About

Lateral research parameters

?

Number of steps along the roots

50

☒ Check the size of the nodes?

Minimum diameter of a node (% of parental diameter)

0.2

Maximum diameter of a node (% of parental diameter)

1.0

☒ Check the size of the roots?

Minimum size of a lateral root (% of parental diameter)

1.0

☒ Check the direction of the nodes?

Maximum insertion angle

90.0
