

Lateral finding settings

Number of steps along the roots	10
Number of iterations	0
Minimal distance from the root (% of parental diameter)	2.0
Maximal distance from the root (% of parental diameter)	2.0
<input checked="" type="checkbox"/> Check the size of the nodes?	
Minimum diameter of a node (% of parental diameter)	0.2
Maximum diameter of a node (% of parental diameter)	1.0
<input checked="" type="checkbox"/> Check the size of the roots?	
Minimum size of a lateral root (% of parental diameter)	1.0
<input checked="" type="checkbox"/> Check the direction of the nodes?	
Maximum insertion angle	100.0
<input checked="" type="checkbox"/> Auto trace in both direction?	
Minimal distance from parental root	2.0
